Keynote Presenter
Sally McKitrick

Sally McKitrick is a Swim Australia Board Member, presenter, article writer, the Regional Aquatics Manager for Healthstream Aquatic Centre and Proprietor of Activ8 Learn to Swim. She specializes in researching and promoting the benefits of swimming to encourage a holistic and healthy life, as the children around the world lead an increasingly sedentary lifestyle.

Sally has over 23 years' experience in the swim industry managing, teaching and coaching in private, school and council run swim centres. Her passion lies in selling the product of swimming to parents and encouraging little swimmers to become big swimmers for life. She wholeheartedly believes that the key to increasing swimming participation in Australia lies in the CONNECTION between parents, teachers and coaches.
